7th Abu Dhabi International Vascular Conference

المؤتمر الدولى السابع لطب الأوعية الدموية

Oct. 24-25, 2025 SOFITEL HOTEL, ABU DHABI, UAE

"Act Fast, Save Lives:
Raising Awareness of Time-Critical Vascular Emergencies"

WELCOME MESSAGE

Prof. Mohamed Baguneid

Dr. Sulaiman Alshamsi

Dear Colleagues,

It is with great excitement that we extend to you an invitation to the **7th Abu Dhabi International Vascular Conference**, taking place on **October 24th and 25th, 2025**, at the **Sofitel Hotel, Abu Dhabi, UAE**.

This year, the theme is "Act Fast, Save Lives: Raising Awareness of Time-Critical Vascular Emergencies" reflecting our commitment to raising awareness of vascular diseases. These conditions, often silent until they are not, necessitate a unified front of professionals across several specialities for effective prevention, early detection, and treatment. Our conference is poised to serve as a beacon for such collaboration, aiming to illuminate the complexities of vascular diseases through a collective exchange of knowledge.

Our focus is to delve into preventive measures and therapeutic strategies that can detect and prevent progression of these conditions.

Our conference will feature sessions steered by distinguished leaders from various disciplines, including vascular surgery, radiology, medicine, podiatry, neurology, cardiology and critical care. They will present a holistic view of patient management, encompassing both traditional practices and innovative treatments.

Topics will cover the spectrum of vascular disease, such as peripheral arterial disease, aortic pathology, venous disease, diabetic foot complications, renal access surgery, cerebrovascular disease and beyond. Interactive discussions, debates, and panel insights are designed to deepen our collective understanding and educational pursuit in vascular healthcare.

The Scientific Committee has carefully developed a program that highlights challenges and clinical advancements in the vascular domain. Our regional and international faculty will share their expertise through a series of lectures and workshops, creating an immersive learning experience.

Moreover, our conference aspires to raise the standards of vascular surgery and medicine by encouraging the integration of recent research findings into clinical practice.

We look forward to your participation in this premier conference to raise awareness of vascular disease. Together, we can forge a path toward enhancing the future of vascular health.

Professor Mohamed Baguneid

Makamed Baarneid

Conference Chairman Chair of Division of Vascular Surgery Sheikh Shakhbout Medical City, Abu Dhabi Dr. Sulaiman Alshamsi

Sulpinon Albanji

Conference Co-Chair Chair of Division of Vascular Surgery Tawam Hospital, Al Ain

ORGANIZING COMMITTEE

Professor Mohamed Baguneid Chair, Organizing Committee Chair, Division of Vascular Surgery Sheikh Shakhbout Medical City Abu Dhabi, UAE

Dr. Sulaiman Alshamsi Co-chair, Organizing Committee Conference Co-chair Chair, Division of Vascular Surgery Tawam Hospital, Al Ain, UAE

Ms. Duaa Mohamed Elgaili Senior Education Officer Sheikh Shakhbout Medical City (SSMC) Abu Dhabi, UAE

CONFERENCE OBJECTIVES

At the end of this educational activity, participants will be able to:

- Review the latest advances and best practices of vascular medicine, through worldwide initiatives in education, training, research and practice.
- Describe the referral process based on symptoms and treatment of vascular disease.
- Examine the pathophysiology, evaluation and treatment of common and uncommon vascular disorders.
- Examine the epidemiology, screening process and preoperative risks of carotid disease.
- Recognize aneurysm epidemiology, pathology and aortic disease progression.
- Manage, screen and describe studies of vascular disease.
- Define classification, workup and treatment of venous disease.
- Di erentiate the care processes of various vascular diseases.
- Generalize findings from contemporary vascular research to vascular medicine practice.
- Diagnose and manage vascular patients with varied clinical presentations.

CONFERENCE HIGHLIGHTED TOPICS

- Vascular services and networks
- Angioplasty or bypass for critical limb ischaemia
- Revascularisation by angiosomes
- Diabetic foot ulcers
- Diabetic neuropathy and its management
- Cardiovascular risk factor modifications
- Use of vascular duplex ultrasound imaging
- When and how to treat varicose veins
- Diagnosing and management of pelvic vein reflux
- Thrombophilia testing
- Thorough pre-operative assessment saves lives
- Enhanced recovery in vascular surgery
- Abdominal aortic aneurysm
- How to prevent death from AAA rupture
- Managing thoracic aortic dissection
- Fistula first program
- Vascular access for hemodialysis
- Managing complications of arterio-venous fistula creation
- Thoracic outlet syndrome diagnosis and management
- Major limb amputations
- Rehabilitation post-amputation
- Childhood vascular malformations
- Stroke prevention and management

WHY ATTEND?

This conference will feature inspiring speakers, interactive sessions, and multiple opportunities to network and share lessons and success stories:

- Gain a deeper understanding of the many varied and fascinating aspects and practice of vascular medicine.
- Learn from thought leaders, experts and high-level professionals & top-notch speakers in the field.
- Network with doctors, nurses, scientists, decision makers and industry peers to face the future of vascular medicine.
- Get acquainted with new approaches, initiatives, challenges, technologies, innovative solutions to provide the best services.
- Get updated on best practices, innovations, and solutions that you can apply in your organization.

WHO SHOULD ATTEND?

- All physicians and surgeons
- Ambulatory health staff and emergency department physicians
- Nursing staff
- Allied staff including radiographers, podiatrists, physiotherapists, pharmacists, occupational health and rehabilitation
- Residents and interns, medical and nursing students
